

PRESS RELEASE

InterGlobe's third consecutive win as India's 'Best Place to Work For'

Gurgaon, Haryana, India -June 24, 2010: InterGlobe, a global leader in travel solutions and services has been awarded the "Best Place to Work For" award by 'Great Place to Work' institute in Mumbai for the third consecutive year. In addition, this year InterGlobe has also been awarded the top spot as "The Best Company in the Transportation industry".

InterGlobe has been ranked 16th in this study which is conducted every year by the Great Place to Work® Institute, in partnership with The Economic Times. The survey measures employee responses to the Great Place to Work 'Trust Index' and the 'Culture Audit' that assesses the people practices prevalent in the organizations. The study revealed that "InterGlobe employees value freedom of expression, take pride in what they do and have an accessible and a stable management."

With a worldwide presence for over 20 years, Great Place to Work Institute has been known for its excellence in studying and recognizing best workplaces globally. This year, they had more than 400 companies participating in the study and only 50 organizations were short listed for the 'Best Companies to Work For' list.

Speaking on this, **Vipul Doshi, CEO, InterGlobe Technologies**, said, "We are extremely proud to be recognized as a 'Great Place to Work'. We have made it to the list third time in a row and we cannot be happier. Our continuous inclusion stands testimony to the fact that we not only deliver world-class technology solutions year-on-year, but also provide an environment where our team members (employees) can participate in a workplace environment that encourages creativity, innovation, transparency, and open feedback. These characteristics drive our quest for excellence and helps InterGlobe continue to deliver unrivaled satisfaction to our customers and our business partners every year."

Rahul Sinha, vice President-Human Resources, InterGlobe Technologies said, "What makes InterGlobe a great place to work is our 'from the heart' culture which promotes a transparent, free, caring and nurturing environment. It feels great that our employees are recognizing the efforts that we have made for them. Our employees trust and faith in our time-tested organizational values of integrity, trust, relationships and dedicated perseverance has once again proved that we are a "Great Place to Work' in transportation industry."

This is the third year InterGlobe has made it to the prestigious list of best companies, which includes global brands and domestic players, identified by the study as promoting great work culture and creating collaborative, healthy relationships among people at all levels in the organization.
